

## OCTOMARI

Giant Squid Tentacle Chunks | *Dosidicus Gigas*

Octomari is giant squid caught from Peru and then cut into bite size pieces, blanched and packed in China. This is our trademark we established more than a decade ago and we have been successfully supplying it to major retailers and wholesale distributors since then. Octomari is a lean protein that can be used to stir-fry, skewer, add in ceviche or seafood pancakes, or batter up to make popcorn Octomari.
